

# Near-Miss Matters

Volume 18, June 7, 2011

The 2011 Fire/EMS Safety, Health and Survival Week is June 19-25, 2011. The theme is Surviving the Fire Ground. For additional Safety Week resources click [here](#). The Near-Miss Program has grouped reports and powerpoint presentations on the following topics to use during Safety Week. The topics are: Preventing the Mayday, Being Ready for the Mayday, Self-Survival Procedures, Self-Survival Skills and Fire Fighter Expectations of Command. To access these free tools visit [here](#).

## What's New

→ The 2011 Fire/EMS Safety, Health and Survival Week (June 19-25, 2011) presentations and grouped reports are posted on the Resources page. Click [here](#) to view.

Starting the week of June 19th, we will introduce our premier episode of our monthly Webinar Series, "Tools of the Trade." Check back on [www.firefighterneamiss.com](http://www.firefighterneamiss.com) to view and download each webinar episode.

Submissions for the 2011 Near-Miss Safety Leadership Award is extended until **Thursday, June 30th**. Need an essay idea? Submit an essay based on how your department used near-miss reports during Safety Week. Essay submissions should be a minimum of 250 words- approximately 2 paragraphs. For more information about the requirements click [here](#). You can find past submission excerpts in the 2011 Near-Miss Calendar or on the website.

Until next month, stay safe.

## Testimonial

*"My motivation to submit my report was that I knew I could help another firefighter avoid getting hurt or worse. It was very easy to submit a report. So no more excuses. If you know something that could help another firefighter, take 15-minutes to submit the report."*

-Report Submitter
